## **DOMESTIC GARBAGE**

Containers are at your disposal on the road leading down to Samoens village, 30 metres from the chalet, for standard household refuse and for recycled waste.

## **HEATING**

The premises enjoy infracable electric underfloor heating. Additional heating is ensured by a radiator installed under the large fixed west-facing bay window. For the bathroom, a towel warmer completes the underfloor heating system.

Nothing on the switchboard must be touched. Only the thermostats in each room can be controlled although without going beyond the stop notch.

## **INTERNET**

Internet access is free of charge without access code. Should there be a problem with the Wifi, connect your computer to the mains power supply with the PLC adaptor.

## **UNDERGROUND PARKING**

One unmarked underground parking space. Other vehicles must be parked outside on the paved parking.
