LAUNDRY

A washing machine and dryer are at your disposal in the common laundry room at basement level.

DOMESTIC GARBAGE

Containers are at your disposal on the road leading down to Samoens village, 30 metres from the chalet, for standard household refuse and for recycled waste.

HEATING

The premises enjoy infracable electric underfloor heating. Additional heating is ensured by a radiator installed under the large fixed west-facing bay window. If necessary for the bathroom, a towel warmer completes the underfloor heating system.

Nothing on the switchboard must be touched. Only the thermostats in each room can be controlled although without going beyond the stop notch.

INTERNET

Internet access is free of charge without access code. Should there be a problem with the Wifi, connect your computer to the mains power supply with the PLC adaptor.

UNDERGROUND PARKING

Two unmarked underground parking spaces. Other vehicles must be parked outside on the paved parking.
